Gas prices continue to plummet, Wisconsin sees largest drop

In the wake of COVID-19, as well as the crude oil price war between Russia and Saudi Arabia, gas prices are continuing to fall at drastic rates across America. According to the American Automobile Association, Wisconsin has seen the largest average drop in gas prices since last week.

Wisconsin has seen average gas prices fall by 24 cents since last week, while the national average has dropped by 13 cents in the same amount of time.
